

KEEP YOUR CAR OR
WORKPLACE CLEAN WITH

CONTACTLESS DISINFECTION SERVICES

**DECONTAMINATION AND LONG-
TERM SURFACE PROTECTION**

We can decontaminate your vehicle
or workplace using state-of-the-art
PurTeq technology

WHAT IS PurTeq?

PROTECTION SYSTEM
SCIENTIFICALLY ADVANCED CLEAN

Purteq is an environmentally-friendly antimicrobial treatment system that uses an advanced technology proven for over 30 years to deliver long lasting results.

How can we help protect you?

Decontamination

We decontaminate your vehicle or workplace using state-of-the-art technologies and targeting dangerous microorganisms wherever they reside.

Long-Term Surface Protection

Our anti-microbial treatments, when applied during disinfection, provide 90 days of ongoing layer of protection against the invisible enemy. We can achieve a >99% bio-burden reduction of viruses, spores, bacteria and fungi hiding in difficult-to-reach areas.
